1 **CULPABILITY**

2 8. Respondent admits the truth of each and every charge and allegation in Accusation
3 No. 950-2015-000742.

4 9. Respondent agrees that her Physician Assistant License is subject to discipline and
5 she agrees to be bound by the Board's probationary terms as set forth in the Disciplinary Order
6 below.

7 **RESERVATION**

8 10. The admissions made by Respondent herein are only for the purposes of this
9 proceeding, or any other proceedings in which the Physician Assistant Board of California or
10 other professional licensing agency is involved, and shall not be admissible in any other criminal
11 or civil proceeding.

12 **CONTINGENCY**

13 11. This stipulation shall be subject to approval by the Physician Assistant Board.
14 Respondent understands and agrees that counsel for Complainant and the staff of the Physician
15 Assistant Board may communicate directly with the Board regarding this stipulation and
16 settlement, without notice to or participation by Respondent or her counsel. By signing the
17 stipulation, Respondent understands and agrees that she may not withdraw her agreement or seek
18 to rescind the stipulation prior to the time the Board considers and acts upon it. If the Board fails
19 to adopt this stipulation as its Decision and Order, the Stipulated Settlement and Disciplinary
20 Order shall be of no force or effect, except for this paragraph, it shall be inadmissible in any legal
21 action between the parties, and the Board shall not be disqualified from further action by having
22 considered this matter.

23 12. The parties agree that this Stipulated Settlement and Disciplinary Order shall be null
24 and void and not binding upon the parties unless approved and adopted by the Board, except for
25 this paragraph, which shall remain in full force and effect. Respondent fully understands and
26 agrees that in deciding whether or not to approve and adopt this Stipulated Settlement and
27 Disciplinary Order, the Board may receive oral and written communications from its staff and/or
28 the Attorney General's Office. Communications pursuant to this paragraph shall not disqualify

1 the Board, any member thereof, and/or any other person from future participation in this or any
2 other matter affecting or involving Respondent. In the event that the Board does not, in its
3 discretion, approve and adopt this Stipulated Settlement and Disciplinary Order, with the
4 exception of this paragraph, it shall not become effective, shall be of no evidentiary value
5 whatsoever, and shall not be relied upon or introduced in any disciplinary action by either party
6 hereto. Respondent further agrees that should this Stipulated Settlement and Disciplinary Order
7 be rejected for any reason by the Board, Respondent will assert no claim that the Board, or any
8 member thereof, was prejudiced by its/his/her review, discussion and/or consideration of this
9 Stipulated Settlement and Disciplinary Order or of any matter or matters related hereto.

10 **ADDITIONAL PROVISIONS**

11 13. This Stipulated Settlement and Disciplinary Order is intended by the parties herein to
12 be an integrated writing representing the complete, final and exclusive embodiment of the
13 agreements of the parties in the above-entitled matter.

14 14. The parties agree that copies of this Stipulated Settlement and Disciplinary Order,
15 including copies of the signatures of the parties, may be used in lieu of original documents and
16 signatures and, further, that such copies shall have the same force and effect as originals.

17 15. In consideration of the foregoing admissions and stipulations, the parties agree that
18 the Board may, without further notice or opportunity to be heard by Respondent, issue and enter
19 the following Disciplinary Order:

20 **DISCIPLINARY ORDER**

21 IT IS HEREBY ORDERED that Physician Assistant License No. PA-22482, issued to
22 Respondent Nicole Jean Chase, P.A., shall be and is hereby revoked. However, the revocation is
23 stayed and Respondent is placed on probation for five (5) years on the following terms and
24 conditions:

25 1. **ETHICS COURSE:** Within 60 days of the effective date of this decision, Respondent
26 shall submit to the Board or its designee for its prior approval a course in ethics. The course shall
27 be limited to classroom, conference, or seminar settings. Respondent shall successfully complete
28 the course within the first year of probation.

1 Respondent shall pay the cost of the course.

2 Respondent shall submit a certification of successful completion to the Board or its
3 designee within 15 days after completing the course.

4 2. CLINICAL DIAGNOSTIC EVALUATION (CDE): Within 30 days from the
5 effective date of the Decision and Order and thereafter as required by the Board, Respondent shall
6 undergo a CDE from a licensed practitioner who holds a valid, unrestricted license to conduct
7 CDEs, has three (3) years' experience in providing evaluations of health care professionals with
8 substance abuse disorders, and is approved by the Board. The evaluations shall be conducted in
9 accordance with accepted professional standards for conducting a substance abuse CDE.

10 Respondent shall undergo a CDE to determine whether Respondent has a substance abuse
11 problem and whether Respondent is a threat to herself or others. The evaluator shall make
12 recommendations for substance abuse treatment, practice restrictions, or other recommendations
13 related to Respondent's rehabilitation and safe practice.

14 Respondent shall not be evaluated by an evaluator that has a financial, personal, or business
15 relationship with Respondent within the last five (5) years. The evaluator shall provide an
16 objective, unbiased, and independent evaluation.

17 During the evaluation, if Respondent is determined to be a threat to herself or others, the
18 evaluator shall notify the Board within 24 hours of such a determination.

19 Respondent may return to either full-time or part-time work if the Board determines she is
20 fit to do so based upon consideration of the CDE report and the following criteria:

- 21
- License type;
 - Licensee's history;
 - 22 • Documented length of sobriety/time that has elapsed since last
substance use;
 - 23 • Scope and pattern of use;
 - Treatment history;
 - 24 • Medical history and current medical condition;
 - Nature, duration, and severity of substance abuse; and,
 - 25 • Whether the licensee is a threat to herself or others.

26 The Board shall determine whether or not Respondent is safe to return to full-time or part-
27 time work, and what restrictions shall be imposed on Respondent. However, Respondent shall
28 not return to practice until she has thirty days of negative drug tests.

1 If Respondent is required to participate in inpatient, outpatient, or any other type of
2 treatment, the Board shall take into consideration the recommendation of the CDE, license type,
3 licensee's history, length of sobriety, scope and pattern of substance abuse, treatment history,
4 medical history, current medical condition, nature, duration and severity of substance abuse and
5 whether the licensee is a threat to herself or others.

6 In the event that any Condition Applying the Uniform Standards requires interpretation or
7 clarification, the Uniform Standards shall be controlling.

8 3. ABSTAIN FROM THE USE OF ALCOHOL: Respondent shall abstain completely
9 from the use of alcoholic beverages for the time period that Respondent is subject to biological
10 fluid testing.

11 4. ABSTAIN FROM THE USE OF CONTROLLED SUBSTANCES AND
12 DANGEROUS DRUGS: Respondent shall abstain completely from personal use, possession,
13 injection, consumption by any route, including inhalation of all controlled substances as defined
14 in the California Uniform, Controlled Substances Act. This prohibition does not apply to
15 medications lawfully prescribed to Respondent for a bona fide illness or condition by a
16 practitioner licensed to prescribe such medications. Within fifteen (15) calendar days of
17 receiving any lawful prescription medications, Respondent shall notify the recovery program in
18 writing of the following: prescriber's name, address, and telephone number; medication name
19 and strength, issuing pharmacy name, address, and telephone number. Respondent shall also
20 provide a current list of prescribed medication with the prescriber's name, address, and telephone
21 number on each quarterly report submitted. Respondent shall provide the probation monitor with
22 a signed and dated medical release covering the entire probation period.

23 ///

24 ///

25 ///

26 ///

27 ///

28 ///

1 Respondent shall identify for the Board's approval a single coordinating physician and
2 surgeon who shall be aware of Respondent's history of substance abuse and who will coordinate
3 and monitor any prescriptions for Respondent for dangerous drugs, and controlled substances.
4 Once a Board-approved physician and surgeon has been identified, Respondent shall provide a
5 copy of the Initial Probationary License Decision and Order, Statement of Issues or Accusation,
6 Decision and Order, or Stipulated Decision and Order to the physician and surgeon. The
7 coordinating physician and surgeon shall report to the Board or its designee on a quarterly basis
8 Respondent's compliance with this condition.

9 The Board may require that only a physician and surgeon who is a specialist in addictive
10 medicine be approved as the coordinating physician and surgeon.

11 If Respondent has a positive drug screen for any substance not legally authorized,
12 Respondent shall be contacted and instructed to leave work and ordered by the Board to cease any
13 practice and may not practice unless and until notified by the Board. The Board will notify
14 Respondent's employer, if any, and worksite monitor, if any, that Respondent may not practice.
15 If the Board files a petition to revoke probation or an accusation based upon the positive drug
16 screen, Respondent shall be automatically suspended from practice pending the final decision on
17 the petition to revoke probation or accusation. This period of suspension will not apply to the
18 reduction of this probationary period.

19 *This condition may be waived or modified by the Board upon a written finding by the*
20 *CDE that Respondent is not a substance abusing licensee.*

21 5. DRUG AND ALCOHOL RECOVERY MONITORING PROGRAM: Within fifteen
22 (15) calendar days from the effective date of this Decision and Order, Respondent shall enroll,
23 participate in, and successfully complete the Board's drug and alcohol recovery monitoring
24 program at Respondent's cost until the drug and alcohol recovery monitoring program determines
25 that participation in the drug and alcohol recovery monitoring program is no longer necessary.

26 ///

27 ///

28 ///

1 Respondent shall comply with all components of the drug and alcohol recovery monitoring
2 program. Respondent shall sign a release authorizing the drug and alcohol recovery monitoring
3 program to report all aspects of participation of the drug and alcohol recovery monitoring
4 program as requested by the Board or its designee.

5 Failure to comply with requirements of the drug and alcohol recovery monitoring program,
6 terminating the program without permission or being expelled for cause shall constitute a
7 violation of probation by Respondent and shall be immediately suspended from the practice as a
8 physician assistant.

9 Probation shall be automatically extended until Respondent successfully completes the
10 program.

11 *This condition may be waived or modified by the Board or its designee upon a written*
12 *finding by the CDE that Respondent is not a substance abusing licensee.*

13 6. BIOLOGICAL FLUID TESTING: Respondent shall immediately submit to and pay
14 for any random and directed biological fluid or hair sample, breath alcohol or any other mode of
15 testing required by the Board or its designee.

16 Respondent shall be subject to a minimum of fifty-two (52) random tests per year within
17 the first year of probation and a minimum of thirty-six (36) random tests per year, for the duration
18 of three (3) years, and a minimum of one (1) test per month in each year of probation after the
19 third year provided that there have been no positive test results during the previous three (3)
20 years.

21 The Board or its designee may require less frequent testing if any of the following applies:

- 22 • Where Respondent has previously participated in a treatment or
23 monitoring program requiring testing, the Board or its designee may
24 consider that prior testing record in applying the testing frequency
25 schedule described above;
- 26 • Where the basis for probation or discipline is a single incident or
27 conviction involving alcohol or drugs, or two incidents or convictions
28 involving alcohol or drugs that were at least seven (7) years apart, that
did not occur at work or on the way to or from work, the Board or its
designee may skip the first-year testing frequency requirement(s);
- Where Respondent is not employed in any health care field, frequency
of testing may be reduced to a minimum of twelve (12) tests per year.

1 If Respondent wishes to thereafter return to employment in a health
2 care field, Respondent shall be required to test at least once a week for
3 a period of sixty (60) days before commencing such employment, and
4 shall thereafter be required to test at least once a week for a full year,
5 before Respondent may be reduced to a testing frequency of no less
6 than twenty-four (24) tests per year;

- Where Respondent has a demonstrated period of sobriety and/or non-use, the Board or its designee may reduce the testing frequency to no less than twenty-four (24) tests per year.

6 Respondent shall make daily contact as directed by the Board to determine if he or she must
7 submit to drug testing. Respondent shall have the test performed by a Board-approved laboratory
8 certified and accredited by the U.S. Department of Health and Human Services on the same day
9 that he or she is notified that a test is required. This shall ensure that the test results are sent
10 immediately to the Board. Failure to comply within the time specified shall be considered an
11 admission of a positive drug screen and constitute a violation of probation. If the test results in a
12 determination that the urine was too diluted for testing, the result shall be considered an
13 admission of a positive urine screen and constitutes a violation of probation. If a positive result is
14 obtained, the Board may require Respondent to immediately undergo a physical examination and
15 to complete laboratory or diagnostic testing to determine if any underlying physical condition has
16 contributed to the diluted result and to suspend Respondent's license to practice. Any such
17 examination or laboratory and testing costs shall be paid by Respondent. If it is determined
18 Respondent altered the test results, the result shall be considered an admission of a positive urine
19 screen and constitutes a violation of probation and Respondent must cease practicing.
20 Respondent shall not resume practice until notified by the Board. If Respondent tests positive for
21 a banned substance, Respondent shall be contacted and instructed to leave work and ordered to
22 cease all practice. Respondent shall not resume practice until notified by the Board. All
23 alternative drug testing sites due to vacation or travel outside of California must be approved by
24 the Board prior to the vacation or travel.

25 7. FACILITATED GROUP SUPPORT MEETINGS: Within fifteen (15) days from the
26 effective date of the decision, Respondent shall submit to the Board or its designee for prior
27 approval the name of one or more meeting facilitators. Respondent shall participate in facilitated
28 group support meetings within fifteen (15) days after notification of the Board's or designee's

1 approval of the meeting facilitator. When determining the type and frequency of required
2 facilitated group support meeting attendance, the Board or its designee shall give consideration to
3 the following:

- 4 • The licensee's history;
- 5 • The documented length of sobriety/time that has elapsed since
substance abuse;
- 6 • The recommendation of the clinical evaluator;
- 7 • The scope and pattern of use;
- The licensee's treatment history; and,
- The nature, duration, and severity of substance abuse.

8 Verified documentation of attendance shall be submitted by Respondent with each quarterly
9 report. Respondent shall continue attendance in such a group for the duration of probation unless
10 notified by the Board that attendance is no longer required.

11 If a facilitated group support meeting is ordered, the group facilitator shall meet the
12 following qualifications and requirements:

- 13 1. The group meeting facilitator shall have a minimum of three (3) years
14 experience in the treatment and rehabilitation of substance abuse, and
shall be licensed or certified by the state or other nationally certified
15 organizations.
- 16 2. The group meeting facilitator shall not have a financial relationship,
17 personal relationship, or business relationship with the licensee in the
last one (1) year.
- 18 3. The group facilitator shall provide to the Board or its designee a signed
19 document showing the licensee's name, the group name, the date and
location of the meeting, the licensee's attendance, and the licensee's
level of participation and progress.
- 20 4. The group meeting facilitator shall report any unexcused absence to
21 the Board or its designee within twenty-four (24) hours.

22 *This condition may be waived or modified by the Board upon a written finding by the*
23 *CDE that Respondent is not a substance abusing licensee.*

24 8. WORK SITE MONITOR: Respondent shall have a worksite monitor as required by
25 this term. The worksite monitor shall not have any current or former financial, personal, or
26 familial relationship with the licensee, or other relationship that could reasonably be expected to
27 compromise the ability of the monitor to render impartial and unbiased reports to the Board. If it
28 is impractical for anyone but the licensee's employer or supervising physician to serve as the

1 worksite monitor, this requirement may be waived by the Board. However, under no
2 circumstances shall a licensee's worksite monitor be an employee of the licensee.

3 The worksite monitor's license scope of practice shall include the scope of practice of the
4 licensee who is being monitored or be another health care professional if no monitor with like
5 scope of practice is available.

6 The worksite monitor shall have an active unrestricted license, with no disciplinary action
7 within the last five (5) years.

8 The worksite monitor shall sign an affirmation that he or she has reviewed the terms and
9 conditions of the licensee's disciplinary order and agrees to monitor the licensee as set forth by
10 the Board.

11 The worksite monitor must adhere to the following required methods of monitoring the
12 licensee:

- 13 a) Have face-to-face contact with the licensee at least once per week in the work
14 environment or more frequently if required by the Board.
- 15 b) Interview other staff in the office regarding the licensee's behavior, if applicable.
- 16 c) Review the licensee's work attendance.

17 The worksite monitor shall report to the Board as follows:

18 Any suspected substance abuse must be verbally reported to the Board and the licensee's
19 employer within one (1) business day of occurrence. If the occurrence is not during the Board's
20 normal business hours the verbal report must be within one (1) hour of the next business day. A
21 written report shall be submitted to the Board within 48 hours of occurrence.

22 The worksite monitor shall complete and submit a written report monthly or as directed by
23 the Board. The report shall include: the licensee's name; license number; worksite monitor's
24 name and signature; worksite monitor's license number; worksite location(s); dates licensee had
25 face-to-face contact with monitor; staff interviewed if applicable; attendance report; any change
26 in behavior and/or personal habits; any indicators leading to suspected substance abuse.

27 The licensee shall complete the required consent forms and sign an agreement with the
28 worksite monitor and the Board to allow the Board to communicate with the worksite monitor.

1 If Respondent tests positive for a banned substance, the Board will immediately notify
2 Respondent's employer that Respondent's license has been ordered to cease practice.

3 *This condition may be waived or modified by the Board upon a written finding by the*
4 *CDE that Respondent is not a substance abusing licensee.*

5 9. MAJOR VIOLATIONS: If Respondent commits a major violation, Respondent shall
6 immediately upon notification by the Board, cease practice until notified otherwise in writing by
7 the Board. Major Violations include, but are not limited to, the following:

- 8 1. Failure to complete a Board-ordered program;
- 9 2. Failure to undergo a required CDE;
- 10 3. Committing multiple minor violations of probation conditions;
- 11 4. Treating a patient while under the influence of drugs or alcohol;
- 12 5. Committing any drug or alcohol offense that is a violation of the
13 Business and Professions Code or state or federal law;
- 14 6. Failure to obtain biological testing for substance abuse;
- 15 7. Testing positive for a banned substance; and,
- 16 8. Knowingly using, making, altering, or possessing any object or
17 product in such a way as to defraud a drug test designed to detect the
18 presence of alcohol or a controlled substance.

19 10. APPROVAL OF SUPERVISING PHYSICIAN: Within 30 days of the effective date
20 of this decision, Respondent shall submit to the Board or its designee for its prior approval the
21 name and license number of the supervising physician and a practice plan detailing the nature and
22 frequency of supervision to be provided. Respondent shall not practice until the supervising
23 physician and practice plan are approved by the Board or its designee.

24 Respondent shall have the supervising physician submit quarterly reports to the Board or its
25 designee.

26 If the supervising physician resigns or is no longer available, Respondent shall, within 15
27 days, submit the name and license number of a new supervising physician for approval.
28 Respondent shall not practice until a new supervising physician has been approved by the Board
or its designee.

11. NOTIFICATION OF EMPLOYER AND SUPERVISING PHYSICIAN:

Respondent shall notify her current and any subsequent employer and supervising
physician(s) of the discipline and provide a copy of the Accusation, Decision, and Order to each
employer and supervising physician(s) during her period of probation, before accepting or

1 continuing employment. Respondent shall ensure that each employer informs the Board or its
2 designee, in writing within 30 days, verifying that the employer and supervising physician(s) have
3 received a copy of the Accusation, Decision, and Order.

4 This condition shall apply to any change(s) in place of employment.

5 Respondent shall provide to the Board or its designee the names, physical addresses,
6 mailing addresses, and telephone numbers of all employers, supervising physicians, and work site
7 monitor, and shall inform the Board or its designee in writing of the facility or facilities at which
8 the person practices as a physician assistant.

9 Respondent shall give specific, written consent to the Board or its designee to allow the
10 Board or its designee to communicate with the employer, supervising physician, or work site
11 monitor regarding the licensee's work status, performance, and monitoring.

12 12. OBEY ALL LAWS: Respondent shall obey all federal, state, and local laws, and all
13 rules governing the practice of medicine as a physician assistant in California, and remain in full
14 compliance with any court ordered criminal probation, payments, and other orders.

15 13. QUARTERLY REPORTS: Respondent shall submit quarterly declarations under
16 penalty of perjury on forms provided by the Board or its designee, stating whether there has been
17 compliance with all the conditions of probation.

18 14. OTHER PROBATION REQUIREMENTS: Respondent shall comply with the
19 Board's probation unit. Respondent shall, at all times, keep the Board and probation unit
20 informed of Respondent's business and residence addresses. Changes of such addresses shall be
21 immediately communicated in writing to the Board and probation unit. Under no circumstances
22 shall a post office box serve as an address of record, except as allowed by California Code of
23 Regulations 1399.523.

24 Respondent shall appear in person for an initial probation interview with Board or its
25 designee within 90 days of the decision. Respondent shall attend the initial interview at a time
26 and place determined by the Board or its designee.

27 Respondent shall, at all times, maintain a current and renewed physician assistant license.

28 ///

1 Respondent shall also immediately inform the probation unit, in writing, of any travel to
2 any areas outside the jurisdiction of California which lasts, or is contemplated to last, more than
3 thirty (30) days.

4 15. INTERVIEW WITH MEDICAL CONSULTANT: Respondent shall appear in
5 person for interviews with the Board's medical or expert physician assistant consultant upon
6 request at various intervals and with reasonable notice.

7 16. NON-PRACTICE WHILE ON PROBATION: Respondent shall notify the Board or
8 its designee in writing within 15 calendar days of any periods of non-practice lasting more than
9 30 calendar days. Non-practice is defined as any period of time exceeding 30 calendar days in
10 which Respondent is not practicing as a physician assistant. Respondent shall not return to
11 practice until the supervising physician is approved by the Board or its designee.

12 If, during probation, Respondent moves out of the jurisdiction of California to reside or
13 practice elsewhere, including federal facilities, Respondent is required to immediately notify the
14 Board in writing of the date of departure and the date of return, if any.

15 Practicing as a physician assistant in another state of the United States or federal
16 jurisdiction while on active probation with the physician assistant licensing authority of that state
17 or jurisdiction shall not be considered non-practice.

18 All time spent in a clinical training program that has been approved by the Board or its
19 designee, shall not be considered non-practice. Non-practice due to a Board ordered suspension
20 or in compliance with any other condition or probation, shall not be considered a period of non-
21 practice.

22 Any period of non-practice, as defined in this condition, will not apply to the reduction of
23 the probationary term.

24 Periods of non-practice do not relieve Respondent of the responsibility to comply with the
25 terms and conditions of probation.

26 ///

27 ///

28 ///

1 It shall be considered a violation of probation if for a total of two years, Respondent fails to
2 practice as a physician assistant. Respondent shall not be considered in violation for non-practice
3 as long as Respondent is residing and practicing as a physician assistant in another state of the
4 United States and is on active probation with the physician assistant licensing authority of that
5 state, in which case the two year period shall begin on the date probation is completed or
6 terminated in that state.

7 17. UNANNOUNCED CLINICAL SITE VISIT: The Board or its designee may make
8 unannounced clinical site visits at any time to ensure that Respondent is complying with all terms
9 and conditions of probation.

10 18. CONDITION FULFILLMENT: A course, evaluation, or treatment completed after
11 the acts that gave rise to the charges in the accusation, but prior to the effective date of the
12 Decision may, in the sole discretion of the Board or its designee, be accepted towards the
13 fulfillment of the condition.

14 19. COMPLETION OF PROBATION: Respondent shall comply with all financial
15 obligations (e.g., cost recovery, probation costs) no later than 60 calendar days prior to the
16 completion of probation. Upon successful completion of probation, Respondent's license will be
17 fully restored.

18 20. VIOLATION OF PROBATION: If Respondent violates probation in any respect, the
19 Board, after giving Respondent notice and the opportunity to be heard, may revoke probation and
20 carry out the disciplinary order that was stayed. If an accusation or petition to revoke probation is
21 filed against Respondent during probation, the Board shall have continuing jurisdiction until the
22 matter is final, and the period of probation shall be extended until the matter is final.

23 21. COST RECOVERY: Respondent is hereby ordered to reimburse the Physician
24 Assistant Board the amount of \$7,242.50, plus the amount reflecting all additional costs accrued
25 after March 21, 2017 and up to the date of settlement, within 90 days from the effective date of
26 this Decision for its investigative and enforcement costs. Failure to reimburse the Board's costs
27 for its investigation and enforcement shall constitute unprofessional conduct and will subject
28 Respondent's Physician Assistant License to further disciplinary action, unless the Board agrees

1 in writing to payment by an installment plan because of financial hardship. The filing of
2 bankruptcy by Respondent shall not relieve Respondent of her responsibility to reimburse the
3 Board for its investigative costs.

4 Any failure to fully comply with this term and condition of the Disciplinary Order shall
5 constitute unprofessional conduct and will subject Respondent's Physician Assistant License to
6 further disciplinary action.

7 22. PROBATION MONITORING COSTS: Respondent shall pay the costs associated
8 with probation monitoring each and every year of probation, as designated by the Board, which
9 may be adjusted on an annual basis. The costs shall be made payable to the Physician Assistant
10 Board and delivered to the Board no later than January 31 of each calendar year.

11 23. VOLUNTARY LICENSE SURRENDER: Following the effective date of this
12 probation, if Respondent ceases practicing due to retirement, health reasons, or is otherwise
13 unable to satisfy the terms and conditions of probation, Respondent may request, in writing, the
14 voluntarily surrender of Respondent's license to the Board. Respondent's written request to
15 surrender his or her license shall include the following: his or her name, license number, case
16 number, address of record, and an explanation of the reason(s) why Respondent seeks to
17 surrender his or her license. The Board reserves the right to evaluate Respondent's request and to
18 exercise its discretion whether to grant the request, or to take any other action deemed appropriate
19 and reasonable under the circumstances. Respondent shall not be relieved of the requirements of
20 his or her probation unless the Board or its designee notifies Respondent in writing that
21 Respondent's request to surrender his or her license has been accepted. Upon formal acceptance
22 of the surrender, Respondent shall, within 15 days, deliver Respondent's wallet and wall
23 certificate to the Board or its designee and shall no longer practice as a physician assistant.
24 Respondent will no longer be subject to the terms and conditions of probation and the surrender
25 of Respondent's license shall be deemed disciplinary action. If Respondent re-applies for a
26 physician assistant license, the application shall be treated as a petition for reinstatement of a
27 revoked license.
